\*Residential customers will receive a \$100 Petro-Canada gift card in the month that the water heater is installed. The gift card cannot be exchanged for cash. Offer is valid until December 31, 2011. Cannot be combined with any other offer and is available to new customers who enter into a rental water heater contract with Direct Energy. \*\*If existing venting or piping is not suitable for installation or if changes are required to meet gas code requirements, additional installation and material costs will apply and are payable by the customer. †Some limitations apply in the following circumstances: i) if damage is caused by customer, ii) repairs are necessary because of use for which the water heater was not intended, iii) if water heater requires flushing, de-liming or other repairs from hard water conditions, or iv) where venting or piping requires cleaning, repair or replacement. ©Reproduced with permission of the Minister of Natural Resources, Canada 2010. ††Direct Energy and the lightning bolt design are either registered trademarks or trademarks of Direct Energy Marketing Limited in the United States and/or Canada.
